承蒙香港特別行政區政府「創意香港」的贊助，國際唱片業協會（香港會）以及眾多支持機構的鼎力支持，使《微電影「創+作」支援計劃（音樂篇）》（支援計劃）成為本地數碼廣告製作人以及歌手的合作平台。

數碼廣告與音樂圈同屬創意行業，並能夠透過多樣的合作相輔相成。要使兩個行業共同進步，我們必須打造給予行內人才發展及發亮的平台。這正是支援計劃的目標，致力培養本地數碼廣告製作人才以及推廣本地歌手。

我們喜見支援計劃在培養創意人才方面，卓有成效。在參與支援計劃之後，不少微電影導演在其他創意界別，包括影視、廣告、音樂錄像、電視製作，甚至電影方面都有很好的發展。我們非常高興，幾位曾參與支援計劃的導演，獲選參加香港電影發展局的「首部劇情電影計劃」及「綠燈行動」，當中更有導演入圍並獲得香港電影金像獎「新晉導演」獎。另外，不少曾參與支援計劃的製作企業，亦憑著他們在支援計劃下創作的作品成功入圍國際影展並獲得獎項。而不少歌手在參與支援計劃之後也有更多演出和製作電影、電視、廣告、舞臺劇等的機會，為香港的創意業界增添動力。

支援計劃見證著數碼廣告及音樂行業內的各種變化。近年在互聯網廣告和其他影視商機帶動下，不少具實力的初創公司湧現，科技發展亦為現今的拍攝及後製增添色彩。與此同時，本地樂壇百花齊放，觀眾比以往更留意音樂圈的一舉一動。在這樣的大環境下，鼓勵了製作公司與歌手擦出越來越多不一樣的創意火花。

第九屆支援計劃為參與的本地新晉及小型廣告製作企業和導演提供培訓、作品推廣和製作資源。他們亦獲得多位資深電影和廣告製作人的指導和分享。我很高興能見證他們原創的 31 套各具特色的微電影誕生。

我在此恭賀所有導演、製作人和歌手，製作出 31 套超水準的微電影，並祝願他們在參與支援計劃之後，在創意業界和樂壇有好的發展。

The Microfilm Production Support Scheme (Music) (Support Scheme) entered into its 9th edition. We would like to extend our gratitude to Create Hong Kong of the Government of the Hong Kong Special Administrative Region for their sponsorship and the supporting organizations, media, and institutions for their continuous support that enable the Support Scheme to provide a collaborative platform for the local digital advertising producers and singers.

Missing paragraph on the importance of cross-sector collaboration in fostering the development of the digital advertising and music industries...the Support Scheme aims to nurture local digital advertising talents and promote local singers.

The Support Scheme has been fruitful in nurturing talent. After participating in the Support Scheme, many microfilm directors have the opportunities for development in other creative sectors such as advertising, music videos, television and even film productions. We are proud to have some of the participating directors selected to the Hong Kong Film Development Council's "First Feature Film Initiative (FFFI)" and "Operation Greenlight" programmes (Note: you use programme on the ensuing pages.), or shortlisted for or even won the Hong Kong Film Awards' "Best New Director" . Some of the microfilms produced under the Support Scheme also competed and won in other international film awards. As for the participating singers, many of them have performing opportunities in advertising, television, film and theatre afterwards as well.

The rise of digital advertising and other new opportunities in the entertainment industry in recent years have spurred the emergence of many start-ups. New technologies have also created many new possibilities to productions. On top of that, the local music scene has blossomed recently, and attracted much attention of the audiences than before. We have been seeing more and more sparkles of creativity between production companies and singers.

The 9th Support Scheme provided trainings, promotions, and production resources for the participating advertising production startups, small advertising production enterprises and directors. They also received guidance from the veteran film and advertising experts. I am excited in seeing the birth of the 31 original microfilms produced by them.

I would also like to congratulate all participating directors, producers, and singers for producing 31 fabulous microfilms under the Support Scheme, and wish them every success in the creative industries and music scene in the near future!

多謝各位對微電影「創 + 作」支援計劃（音樂篇）的支持，支援計劃為本地廣告製作公司和導演提供培訓、作品推廣和製作資源，讓他們製作原創微電影，以展示創意和才能，同時為歌手提供參與演出的機會，提供更多幕前演出及曝光的機會。支援計劃至今已踏入第九屆，培育出不少優秀人才，期待可以欣賞到更多香港原創作品。

Thank you for supporting the Microfilm Production Support Scheme (Music). The Support Scheme provides local advertising production companies and directors with training, promotions, and production resources, for them to produce original microfilms to show their creativity and talents. Notably, it is an excellent opportunity for singers to participate in on-screen performances and exposure.

Entered into the 9th edition, the Support Scheme has nurtured lots of creative talent. We are looking forward to seeing more original works in the coming future.

最感動我的是，在這些如此多元化的創作背後，我感受到創作者對香港的愛，對生命的苦與樂的同理心，甚至對整個人類未來的關懷。我相信這就是創作音樂與電影的最重要意義。透過藝術，我們分享恐懼、悲痛，也分享堅毅與希望。在這艱難的時代，我們更需要藝術。

What moves me the most is that underneath the diverse manifestations of creativity, I can feel the creators' love for Hong Kong, their empathy for the joy and pains of life and their care of the future of humanity. I believe this is the most important meaning of music and film creations. Through arts, we share the fear, the grief but also the resilience and the hope. In such difficult times, we need arts more.

張志雄博士 Dr. Samson Cheung

2000 年開始成為泰迪羅賓助理，一直積極推動音樂教育及流行文化發展。今次有幸能參與這次比賽的評審工作，這份工作並不輕鬆，除了入圍作品各具特色之外，入圍的作品數量也相當龐大。擔任評審是一件責任重大且需慎重的事，因此為了要平衡多元的觀點與看法，主辦單位已經邀請了十多位評審共同分憂。但只要是比賽，就難免有遺珠之憾，因此希望沒能入圍或得獎的參賽者不要氣餒，也不要失去信心。入圍決賽的作品是難能可貴的肯定，也是一項崇高的榮耀，僅此勉勵所有的參賽者並恭喜所有的入圍者。

I became Teddy Robin's assistant in 2000 and have been actively promoting the development of music education and popular culture. This time I was fortunate to be able to participate in the judging work of this competition. This job is not easy, with the shortlisted works not only unique in each of them but also quite many in the total number. Serving as a judge is a matter of great responsibility and needs prudence. In order to balance the diverse views and opinions, the organizer has already invited more than ten judges to share the work. But as long as it is a competition, it is inevitable to have talent who are yet to be discovered. Therefore, I hope that the contestants who have not been shortlisted or won will not be discouraged or lose their confidence. It is a commendable affirmation and a lofty honor to the finalists.

On this note, I wish all the contestants keep up their good work and congratulate all the finalists.

今屆的支援計劃碰上疫情，令參與的創作團隊在拍攝上多生波折。幸而我們喜見一班新生代製作人和歌手仍為我們帶來不少清新可喜的作品，有些更反映出此時此境的獨特性，令我們仍能懷抱希望相信有危便有機。

This edition of the Support Scheme was carried out amid the epidemic, which caused many problems to the participating teams during the production. Fortunately, we still see the new generation of producers and singers bringing us many fresh and gratifying works, some of which were able to reflect the uniqueness of the current situation. It makes us believe that "in the middle of difficulty lies opportunity".

馮永先生 Mr. Wellington Fung

Former Secretary-General of
Hong Kong Film Development Council

老實說，幾年前我擔任評審，在看片的時候，總覺得大部分作品都無甚驚喜。它們從說故事的技巧、表演、攝影、美術、錄音到整體表現都相當業餘。但本屆、哇！我眼前一亮，因為這簡直是大躍進啊！竟然超過 50% 第一梯隊的作品，和接近 70% 的第二梯隊的作品均達到專業水準。然而作為評審，倒有點為難，因為不容易就著每個項目，判斷出哪個創作人才是最實至名歸的贏家。看到這波高素質的電影人接手推動香港電影的發展，我實在興奮莫名！

Several years ago, when I was one of the judges, I wasn't too thrilled watching the microfilms created by most of the participants. They were amateurish, from storytelling, acting, cinematography, art design and sound recording to the overall presentation. But this Edition, Wow! My eyes were really opened, because it was a big leap. Over 50% of the works in the Tier 1, and close to 70% in the Tier 2 approached professional level. The downside though, for a judge, was to determine which was the most outstanding one in each category. It is exciting to see this wave of quality filmmakers who will carry the torch forwards for the Hong Kong Film legacy.

新一屆支援計劃的結果非常令人興奮。作品從題材到表現風格，都更加豐富和更廣。這讓我們一年比一年更期待看到新的年輕導演和他們的作品。此外，曾參與過這個支持計劃的歌手或導演越來越熟練和專業。一些歌手已經在他們的表演中展現出了卓越的才華。

The results of the new edition of the Support Scheme are very exciting. The works are richer and broader in various aspects ranging from the genres to the expression style. Year after year, we can't help but look forward to seeing new young directors and their works. The singers or directors who have participated in this Support Scheme before are also becoming more and more skilled and professional. Some of the singers have already shown the talents in their performances.

最難忘的短片大概是那些具世界觀和視野的；跟著就是故事動人的；再者就是演員表現精湛及製作獨具匠心的，共勉之。

是次入選團隊如同入了創製伊甸園，從初始意念生出戲劇種子，在悉心照顧下結果有目共睹，我們作為「花王」的顧問更可伴隨作品按步成長。相信大家也認同今屆有一半以上的作品充份具備業界專業性，尤其是對歌者的形象處理，為一般獨立短片所不能及，而且非常 HK Style。

今次是支援計劃的第九年，我已看得到明年會更好。

An old Chinese saying goes, "it takes ten years to grow trees but a hundred years to rear people" .

The selected production teams are like entering the Garden of Eden for creation and production, from their initial ideas to the finished works, it is like the process of growing trees. We, as the mentors of these gardeners, also grow together with their works. I believe everyone agrees that over half of the works in this edition are professional in industry level, especially seeing how they handled the image of the singers, which is beyond the reach of other ordinary independent short films, and the works are full of "HK style" .

This is the 9th year of the Support Scheme, and I can foresee better works next year.

As the largest paid digital music service in Hong Kong, MOOV has always been committed to supporting local creation. The Support Scheme has gone through nine editions, and men of talent come out in succession. New talent are able to perform and share their brilliance here, merging music into film to reveal subjects, touching audience with clips and audios. Entries of this edition are produced in high quality and eye-catching. We hope to enjoy more great pieces in the coming editions!

支援計劃自 2013 年首次推出，是一個展示人才寶貴的平台。這可以從激烈的競爭，更優秀、更精彩的作品可以看得見。無論你是不是這次獲獎者，我相信這個經驗會帶你到你職業生涯的下一個階段，我在此祝賀你們每一個人和我很期待於不久的將來可以看到你下一個更精彩作品。

Since its first run in 2013, the Support Scheme has been an increasingly invaluable platform to showcase talent both in front of and behind the camera. This is demonstrated by progressively keener competitions, resulting in better and more refined works. Winners or not, I am sure what you have done in this round will eventually springboard you into the next level of your career and I want to hereby congratulate each of you with the anticipation of seeing your next piece of work soon.

文志華先生 Mr. Man Chi Wah
嶺南大學動畫及數碼藝術（榮譽）文學士課程課程主任
Project Director, Bachelor of Arts (Hons) in Animation and Digital Arts, Lingnan University

本屆的參加者非常踴躍，競爭很是熱烈。在疫情猖獗下，仍然有這麼多熱情的電影工作者，希望藉此機會，將他們個人對愛情、工作、社會議題、未來科技影響… 的看法，利用聲音與影像表現出來，面向觀眾，實在令人鼓舞，值得大家支持！

This edition's participants were tremendously enthusiastic, and the competition was immensely fierce. In the rampant epidemic, it is encouraging to see that there are still many passionate filmmakers trying their best to get this chance to share their views on love, work, social issues, impacts brought by emerging technologies... with the audience through the use of sound and images. It really deserves everyone's support!

黃修平先生 Mr. Adam Wong
電影導演
Film Director

第一次擔任支援計劃的導師，跟其他導師高手一起，與參賽者深入討論了他們的劇本與製作計劃好幾輪，過程充滿火花，非常充實。

我認為支援計劃是比較影視工業導向的，從大會會安排藝人參與演出，以及讓導師們積極跟進參賽者進度的做法都可見一斑。

願支援計劃與其他本地的短片比賽互相輝映，為香港的創意工作孕育更多新血，這些搖籃在今天的香港尤為重要。

It was my first time to be a mentor of the Support Scheme. Together with other mentors who are also top players in the industry, we thoroughly discussed with the contestants their scripts and production plans for several rounds. The process was full of sparks and very fulfilling.

I think the Support Scheme is more film and television industry oriented. It can be seen from the fact that the organizer arranges the singers to perform in the microfilms, and also the mentors to follow up closely on the contestants' production progress.

May the Support Scheme and other local short film competitions synergize with each other, to nurture more new blood for Hong Kong's creative industries. These cradles are particularly important in Hong Kong these days.

黃啟聰先生 Mr. Manfred Wong
Headlines 雜誌總編輯
Chief Editor, Headlines Magazine

第九屆支援計劃的作品，劇本更多元化、製作人技巧成熟，更高興是看到歌手演技上，演出更投入和自然，充份展現支援計劃為歌手建設多方向嘗試的契機，成績顯現。

The 9th Support Scheme had continued to achieve its core purpose of building a multi-directional experimenting platform for the singers. The microfilms of this edition are very diversified with more mature production skills. I am happy to see that the singers' performances are becoming more natural and devoted.

你在記憶中走來 Enter Your Dream

我們有時候會聽到耳邊有別人的聲音，或總會有直覺告訴自己應該怎樣做。其實這可能是往後的自己來提點著自己。生活之中，我們常會提問，「如果當時選了另一個選擇會怎樣呢」。戲中的主角花姐發現有回到過去自己的意識的機會，想改變自己的決定。了解到原來一直以來自己塑造出來的生活和性格也有可愛之處，而接受自己的過去的選擇。

Sometimes we may hear some inner whisper in our mind, or the direct sense to tell you what to do. May be, it is the reminder from our future. We always look back our life, asking what if I not making that decision, what would be happened? The protagonist in the play, Elder Hana, found that she has the opportunity to return to her own consciousness in the past. She wants to change her decision. That let her realised that the personality shaped by herself are also lovely. The decision made in the past is not a concern anymore.

轉場工作室 Verse Case Scenario

轉場工作室成立於 2018 年，主要業務為電影美術，舞台設計。近年因嘗試接觸當代藝術，並於藝術之中找到創作的故事的可能。故事和場景的扣連，觀眾感受到的，亦是另一個故事的開始，而由藝術開始的故事再引伸到拍攝，是另一層的轉化，所以希望再由故事這個母體再發現更多。

Verse Case Scenario Studio established on 2018. The main business is film art and stage design. In recent years, Verse have the opportunity to explore contemporary art and found the possibility of creative stories in art. The connection between the story and the scene, what the audience feels, is also the beginning of another story.

The story created from art extended to a moving visual is another level of transformation. Verse trended to discover more about the possibility in Art and Narrative play in the future.
